

GENERAL RULES AND REGULATIONS

1. An exhibitor who violates any of the following rules or special rules in any department will forfeit all privileges and premiums and be subject to such penalty as the Management may order.
2. Entry form completely and properly filled in must be submitted in all departments on or before the closing date specified. Auxiliary aides or services for persons with disabilities are available upon request. Please call the Fair Office at 287-5650 by 5:00 p.m. three days prior to needing a service.
3. All exhibits when assigned space become subject to the control of the Department Superintendent.
4. The Management reserves the right to reject any exhibit offered if it is objectionable in any way, if it requires an excessive amount of space, if it is in conflict with department requirements, or if the capacity of the department has been reached.
5. The Department Superintendent has the right to refuse an entry from anyone showing disrespect or causing disruption in the Department. Disrespect shown to any Judge or to any award, by an exhibitor, may forfeit all awards made to the offering exhibitor.
6. All exhibits must be in place as specified in the special rules of each department. **No exhibits will be released before specified time.** Competitive exhibits which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit.
7. Exhibitors must attend to the delivery in person or by agent of articles or animals for exhibition to the Department Superintendent and must claim their exhibits at the close of the Fair. **Do not send exhibits by freight or express to the Fair or to any of its officers.**
8. All exhibits must bear the entry tag given by the clerk at the time of entry. In paying premiums no evidence of awards will be recognized except the entry book properly signed by the Judge and Superintendent, as ribbons frequently become misplaced. Premium ribbons or cards have no value as to payment of premiums, since premiums are paid only from the records of the Judges' book.
9. Where there is but one exhibit in a class the award shall be made on merit alone and any premium or no premium may be awarded. The merit of the article, in the opinion of the Judge, shall be final.
10. Exhibitors must present their claim checks to the departments before removing exhibits.
11. No person entering an exhibit for competition will be allowed to withdraw or change the entry after the opening of the show.
12. In all cases, articles or animals must be entered in the name of the bona fide owners, except where otherwise specified. A transfer of ownership for the purpose of exhibiting will debar any animal or article and operate against the payment of premiums offered by the Western Idaho Fair.
13. **COMPETITION: Competition is defined as a contest for supremacy between two or more animals or articles or products owned by separate exhibitors. Two or more exhibits entered by the same person or household do not constitute competition.**
14. Exhibitors may make as many entries in each class as desired, except as specified in the special rules of each department, but **no exhibitor will be allowed more than two premiums in any one class.**
15. No animal or article may compete in more than one class, nor receive more than one premium except in performance classes or as one of a pair, group, or championships.
16. Premiums will be designated by ribbons as follows:

First.....	Blue Ribbon
Second	Red Ribbon
Third	White Ribbon
Fourth	Pink Ribbon
Fifth	Yellow Ribbon
Sixth	Green Ribbon
Seventh	Nile Green Ribbon
Eighth	Tan Ribbon
Champion	Purple Ribbon
Reserve Champion.....	Lavender Ribbon
17. Prior to the judging, each Superintendent will inspect all exhibits to determine if they are entered in the class in which they should compete. In cases where it is obvious that entries are not correctly posted due to a clerical error, the Superintendent will contact the Premium Office in order for a change to be made.
18. **PROTESTS:** All protests must be submitted in writing, setting forth grounds of protest. Protest against the exhibition of any article or animal must be filed with the manager of the Fair at least twenty-four hours before the awards are made. In every case of protest the party protesting must deposit with the manager the sum of \$50.00, which sum shall in the event of the protest being sustained, be returned to the complainant, and if the protest be not sustained, the said sum shall be forfeited to the Western Idaho Fair. Protests will be considered by the Board at its first meeting after the filing of the protest.
19. Management has carefully selected the Judges, and each is recognized for his/her capability of making expert decisions in the respective division for which chosen. **All exhibitors making entry for the Fair accept these Judges and agree to abide by their decisions.** The judging time schedule is printed at the beginning of each department. The decision of the Judge will be final in all cases. If any exhibitor attempts to interfere with the Judge in any manner during the time he is judging or publicly expresses disapproval of the decisions made by the Judge, he will be excluded from further competition and any premium previously won will be forfeited. The public will not be allowed in the exhibit areas while judging is being done. We thank these judges for their service to the community. In recognition of their service to the Western Idaho Fair, the judges are extended an Honorarium.
20. Awards will be made according to the merits of the exhibit. Placings will be awarded only as listed. Judges are encouraged to award all possible placings, but may disqualify an entry at their discretion. Special awards will be made only after the Judges have agreed with the Department Superintendent that such award should be made.
21. **The Owner or Custodian of property of any kind brought to the Fairgrounds, either for exhibit or for other purposes, assumes, as a condition of its admission to the grounds, all risk of responsibility for its loss, damage, or theft.** The Fair employs guards, traffic directors and other personnel to protect property on the grounds and insure the safety of persons. The Fair and its officers and employees cannot and will not accept responsibility and liability for any damage or injury resulting from theft, fire, the elements, accidents or other conditions or causes, whether to exhibits or vehicles on the grounds and

articles left therein or any other property of any nature whatsoever.

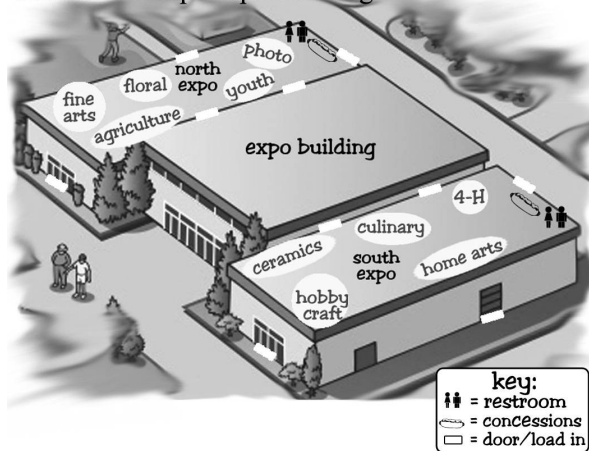

Exhibitors having property on the grounds should make their own arrangements for guarding and protecting same.

Presentation of entry shall be deemed acceptance of the rules.

Exhibitor exempts the Western Idaho Fair, its officers, directors and employees from liability for any loss, damage or injury to himself or his property, or injury to any person or the property of any person by any animal owned or exhibited by him and shall indemnify the said Western Idaho Fair against all claims and any injuries or damages arising from actions or negligence of the exhibitor.

22. Attendants at exhibits must be neatly attired and will be required to conduct themselves in a quiet and orderly manner.
23. **PET POLICY.** Dogs or other pets will not be permitted on the grounds during the Fair, with the exception of disability-related guide dogs and dogs entered in the 4-H dog show. Dogs that are permitted must be on a leash.
24. Ample light is furnished in all buildings. If additional light or power is required, all wiring and power must be furnished by the consumer and wired under supervision of the Fair's electrician.
25. No premium shall be awarded, nor will any premium be paid, on any article or animal not mentioned or classified in this premium list.
26. Premium checks not cashed within 60 days after issue will be void.
27. The Western Idaho Fair will not be responsible for any individual's or merchant's default on Special Awards.
28. The Western Idaho Fair will not be held liable for printing errors in this publication.

18. The primary object of this Fair is to encourage the breeding of improved breeds of livestock for well-defined, practical purposes. Regard will be had to symmetry, size, structure, action, constitution, vigor and general characteristics of the various breeds, with reasonable allowance for age and general refinement that denotes breed character-points which, while not weighing on the "scale", add value to animals when being sold

for breeding purposes. In groups, encouragement will be given to uniformity as well as breed type.

19. The Fair reserves the right to discriminate against excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

ANIMALS FOR "EXHIBIT ONLY"

Exhibitors wanting to enter ANIMALS for "EXHIBIT ONLY" (breeds or species not presently included in the Exhibitor's Handbook) must contact the Superintendent of the department involved.

Space for Exhibit Only animals will be assigned AFTER the regular entries in that department are in.

The Superintendent and the Livestock Director will determine whether the Exhibit Only animals will be shown in the first or second section of the Fair.

Entries (on Western Idaho Fair Livestock Entry forms) must be received in the Premium Office by the specified deadline. **All pen or head fees that apply must accompany entry.** These fees will be held until space is determined.

If space is not available, all fees will be returned to the sender. If space is available, the exhibitor or the breed representative will be

notified as soon as possible after the entry deadline. Exhibitors in Exhibit Only status will abide by all rules set forth in the Western Idaho Fair Exhibitor's Handbook, general and department rules. These would include arrival and release times, cleaning of pens, health rules, care of animals, etc. The Open Class Superintendent and the Livestock Director determine placement of animals and tack.

CRITERIA FOR ESTABLISHING & MAINTAINING BREED SHOWS

Those breeds wanting to be considered for Western Idaho Fair Show status, be included in the schedule and receive awards, must state their request in writing and submit it to the Premium Office by Nov. 1 of their qualifying year (3rd).

To establish Western Idaho Fair Show status, exhibitors must demonstrate a commitment to show on an annual basis and have at least two (2) interested exhibitors that would exhibit a total of ten (10) animals.

If space permits, after three (3) years of qualified Exhibit Only status, the qualifying breed will be included in the Western Idaho Fair Show schedule with premium monies and ribbons awarded. Amount of premiums will be determined at that time by Fair management.

Breed Shows, having been established, **then failing to maintain the minimum requirements**, will be reviewed annually by Fair management to determine their status.

As stated in the Western Idaho Fair General Livestock Rules, all animals entered, except fat classes and 4-H/FFA departments, must be recorded in the recognized book of record for their respective breed.

VETERINARIAN RECOMMENDATIONS FOR ALL LIVESTOCK EXHIBITORS

1. Segregation – Prevent contact of your livestock with other animals.
2. Restrict use of feed, equipment, and trailers to your animals.
3. Do not remove feed/bedding from the Fair. Equipment used at the Fair should be cleaned and disinfected.

- As much as possible, minimize feed and water changes from home to Fair.
- Keep unused equipment and feed bagged or covered to reduce the risk of contamination.
- Vehicles and trailers used to transport animals to and from the Fair should be well cleaned and disinfected, inside and out, between uses.

- Clean and disinfect all items at the end of the Fair before taking them home.
- Properly dispose of unused bedding, hay and feed after the Fair. Do not bring it home.

AFTER THE FAIR

- Keep Fair animals isolated from other animals and pets for at least 30 days.
- Check these isolated animals every day for any signs of illness. Contact a vet if you see any unusual symptoms.
- Care for isolated animals separately, change clothes and clean and disinfect your boots before going to other areas of the farm.
- The person caring for animals at the Fair should not perform animal-related chores at home. If the same person must do both, chores at home should be done first. Garments should be cleaned and disinfected between each trip to the Fair and barn/pasture.
